Variation of Condition 2 and removal of Conditions(s) 4,9,10,11,12,13, and 14 of PP 06/19/0371/F - Construction of 6no detached dwellings and garages

Chairman stated that the final decision on this planning application rests with the planning authority which, in this case, is GYBC. Parishioners are also able to send in their views to GYBC.

Cllr Peake wanted it minuted that there was no public forum on the agenda for this meeting. He stated that FPC always had public forums at all their meetings.

Cllr Brown replied that it was one rule for Cllr Peake and one rule for everyone else. He said that Cllr Peake held a meeting on 26th April 2018 when he was Chairman and Sue Holland was the Clerk. Sue Holland was a very experienced clerk. There was no public forum on the agenda for that meeting either. Cllr Brown asked for this to be minuted as well.

One parishioner questioned why the conditions were put on the planning application in the first place and argued that they should not be removed.

A motion was put forward by Cllr Brown to not support the change in conditions but to support the variation of condition 2. This was seconded by Cllr Sewell. Seven councillors voted in favour of the motion, one councillor abstained, and one councillor had lost his connection about ten minutes before the vote took place so was unable to vote.

Date of next Parish Council meeting: Thursday 17th September 2020

Meeting closed at 8:10.
