Message from Inspector Drummond

Last week was a challenging time with the severe weather that confronted us all here in the East. I would like to thank the public and businesses for their perseverance during this time. I would also like to pass my gratitude to all the front line and back room police staff that worked long hours, some of them double shifts and others that did not get home to their families for a few days. Their dedication to keeping you safe was second to none.

April will see the start of a new policing model for Norfolk. There will be changes on how we conduct our SNAP meetings and community engagement across the district. The operational partnership teams will keep you updated. I would like to say thank you to all our Police Community Support Officers who will be leaving us and wish them well for the future. I am pleased to say some have chosen to stay with the Constabulary and look forward to welcoming them back in their new roles soon.

Message from Inspector Drummond

As you may be aware PC Hannah GARDINER was successful in her promotion to the rank of Sergeant. Therefore she will no longer be the Great Yarmouth District Engagement Officer. We will endeavour to inform you of the new Engagement Officer in due course and will pass on your contact details for future newsletters and correspondence.

What is happening in your area

- Operation Gravity enquiries remain a top priority as part of our campaign against drug dealing in the county.
- Community Speed Watch— The Community Speed Watch Team will be actively making a difference in your community. Monthly updates will follow.
- We are currently looking at ways to improve our Safer neighbourhood Action Panel (SNAP) meetings. Some meetings have had a low attendance therefore we will be looking at ways that we can combine them to ensure they are valuable to everyone. This will enable us to ensure Officers' attendance at the meetings. Further information will be provided in due course.
