

OUR PARISH OUR FUTURE

Neighbourhood Plan for the Villages Clippesby, Billockby and Burgh St. Margaret.

The Parish of Fleggburgh comprises of three villages, Clippesby, Billockby and Burgh St. Margaret. Fleggburgh Parish Council is pleased to invite you to be part of a community team charged with shaping our Villages.

Neighbourhood planning is part of the Government's approach to give local people more say about how their area is developed. Neighbourhood plans are intended to give communities, more control over the type, location, size, and design of development in their area. The plan is not limited to housing, but can include, upgrading paths, allocating open spaces, and community facilities, to name but a few.

This questionnaire has been prepared using comments about the Parish, of Fleggburgh collected from a representative sample of residents from across the three Villages, and Government guidance documentation.

Please take the time to complete this questionnaire and help us develop a Neighborhood Plan which reflects the views and wishes of the residents of our Parish.

For more information contact Fleggburgh Parish Council and keep an eye on the website for updates.
