

Fleggburgh Village Hall and Playing Field

It has been brought to our attention, that there is real concern in relation to the installation of barrier and gates at The Village Hall Car Park, Furthermore, there is further dismay relating to the proposed rules and regulation that are posted. There is a great deal of misinformation and unfounded rumour being perpetrated by persons who disagree with our parking solutions.

In view of the foregoing, we wish to inform every one of the correct situation and allay any fears that the false information has created.

The purpose of erecting the barrier and gates is twofold. Earlier this year travellers occupied the site this caused disruption and a great deal of mess, which was cleared up by numerous members of the community. It is imperative that we protect this asset, through the installation as defined.

Other problems regarding over parking during Village Hall events has caused disruption to both users and hirers this, also must be address as this effects Village Hall revenue. (Regardless, of how seldom this occurs)

Firstly, the rules DO NOT OR WILL NOT exclude any body or organisation currently using this facility inclusive of, The School, The Church, any individual(s) wishing to use the play area or any other facility currently available. In addition, to imply or state the contrary is dis-ingenuous and false.

You will note that commercial operations will be require a different agreement therefore;-

Any and all commercial operations which obtain financial gain by way of enhancement through using the car park will be required to contribute to the maintenance and permanency of the this facility. There is a discrepancy here in as much as some commercial operators currently pay for the opportunity others do not. We intend to bring all such users in line to reach a fair and amenable resolution to this problem. Statements of restricting or jeopardising business is inaccurate and has no place in these proceedings.

Despite rumour, the Village Hall Carpark is NOT a public car park Furthermore; legal advice was sought regarding the sign, which has been posted.

Now that you are aware of the situation, it is hoped that we have clarified our position.

Chair,

Fleggburgh Village Hall committee
